Quality and Productivity

2513/2513f

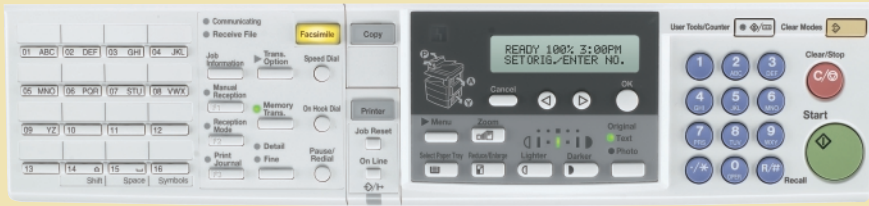

Winning Solutions For The Small Office

The Savin 2513 and 2513f are going to change the way you work. Delivering the type of performance ordinarily reserved for larger – and costlier – systems, the 2513 and 2513f offer the productivity benefits of advanced digital technology, outstanding laser print quality and network connectivity. Whether you choose the 13 ppm 2513 digital copier or the 2513f digital copier and fax with automatic document processing, you're making a smart decision.

savin®

Savin 2513/2513f

There's Room on Your Desk

Thanks to an exceptionally compact design, the Savin 2513/2513f fit easily on even the most cluttered desk! Plus, with the ability to add optional printing (2513/2513f), you'll save space by eliminating the need for separate, stand-alone systems and you'll reduce capital equipment and consumable costs.

2513f Standard Super G3 Faxing

There's no compromise when it comes to the 2513f's fax capabilities. The 2513f's platen design and super-fast transmission speeds combine with a host of high-end fax features to provide a versatile and cost-effective communications powerhouse.

Network Printing

Leverage your existing LAN technology when you add the optional Print Controller and Ethernet Interface. Seamless integration with today's most popular network platforms and standard PCL and optional PostScript printing ensure compatibility with a wide variety of business applications.

Well Rounded Performance

Sophisticated digital technology combines with user-friendly features to accommodate everyday document management tasks with ease.

- Become an expert operator from the start – an intuitive Control Panel quickly guides you through any job.
- Scan originals once and the 2513/2513f automatically produce the number of requested copies. To further increase productivity, use the Automatic Document Feeder (optional on 2513) and eliminate the need to manually feed originals.
- Don't worry about finding room in your budget for extra hardware – just add optional memory and the 2513/2513f automatically produce sorted sets.
- Enjoy continuous copy, print and fax output with the 2513/2513f's large and versatile – from statement to legal size – paper supply.
- Minimize routine maintenance while dramatically reducing cost-per-page thanks to the 2513/2513f's dual component consumable design.

Do More With Less

The Savin 2513/2513f are proof positive that more is not always better. To see for yourself, contact your authorized Savin sales location today.

COPIER & GENERAL SPECIFICATIONS

Configuration	Digital copier
Copying Process	Dry electrostatic transfer
Recording Method	Laser
Toner/Photoconductor	Dual Component
Copier Memory	8 MB expandable to 40 MB
Resolution	600 dpi
Gray Scale	256 levels
Continuous Copy Speed	13 cpm - letter size
Multiple Copy	Up to 99
Warm-Up Time	20 seconds
First Copy Time	8 seconds
Original Size	Up to 8.5" x 11" (platen) Up to 8.5" x 14" (requires ADF)
Output Document Size	5.5" x 8.5" - 8.5" x 14"
Standard Paper Supply	1 x 250 sheet drawers, 100 sheet bypass
Maximum Paper Capacity	850 sheets
Paper Output Capacity	250 sheets internal tray
Paper Weight	Drawer 16 - 24 lb.; Bypass 16 - 42 lb.
Zoom Range	50% - 200% in 1% increments
Reduction Ratios	93%, 78%, 65%
Enlargement Ratios	129%, 155%
Dimensions	18.4"W x 17.7"D x 14.6"H (2513) 18.4"W x 17.7"D x 18.4"H (2513f)
Power Source	120V/60Hz 15A
Weight	44 lbs. (2513); 48 lbs. (2513f)
Other Features	Auto Image Density, Auto Off, Auto Start, Auto Reduce/Enlarge, Photo Mode, Combine Originals 2, User Codes (10), Scan Once/Print Many, Energy Save Mode, Optional Electronic Sort, Optional Auto Tray Switch

PRINTER MODULE OPTION

Print Speed	13 ppm
CPU	75 MHz
Memory Capacity	16 MB standard, expandable to 144 MB
Printer Languages	PCL6/5e (standard) PS2 emulation (option) Parallel IEEE1284, NIB (option)
Interface Drivers	Windows 95/98/NT 4.0/2000/Me Macintosh 8.x/9.x
Fonts	35 Intellifonts, 10 TrueType, 80 PostScript (option)
Resolution	600 dpi
Topologies	Ethernet (10/100BaseT)
Network Protocols	TCP/IP, IPX/SPX, AppleTalk (Auto Switching)
Network Operating	Novell NetWare 3.x, 4.x, 5.0 and Systems Intranetware; Microsoft Windows 95/98/ NT 4.0/2000/Me; Mac OS 8.x/9.x
Other Features	Collation, Slip Sheet, Edge Smoothing, Watermarks, SmartNet/Monitor, Tray Locking, Document Printing

2513f FAX MODULE

Print Speed	13 ppm
Compatibility	Group 3, ITU-T
Modem Speed	33.6 Kbps with automatic shift/down
Transmission Speed	3 seconds
Scanning Speed	2.4 seconds (8.5" x 11")
Compression Method	MH, MR, MMR
Standard Page Memory	5 MB (shared with copier memory)
Transmission/Reception Auto Dial	Up to 8.5" x 14"
Other Features	16 quick, 50 speed, 5 groups Send Later, Direct Fax Number Entry, Label Insertion, Restricted Access, Telephone Directory, Dual Access, Batch Transmission, Forwarding, Twelve Hour Memory Backup, Reception Time Printing, User Codes (10), Answering Machine Interface

OTHER OPTIONS

DF74 Auto Document Feeder - 30 Sheets (standard 2513f)
Copier Memory 32 MB
Network Interface Board Type 1018
32 MB, 64 MB, 128 MB DIMM Printer Memory
PS480 Paper Bank (500 x 1)
PostScript 2 Emulation Type 1018
Handset Type 1018
Console
