The **Power** You Need to Get the Job Done **Even Faster**

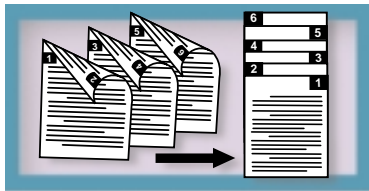

Optional Laser Printing

- With the optional print driver, the FO-4700 functions as a 600 dpi laser printer and even has animated directions for changing toner and supplies.

Time-Saving Duplex Scanning

- With standard duplex scanning, you can quickly and efficiently send two-sided documents—without a trip to the copier to copy each side first. The FO-4700 scans both sides and then sends them in the proper order.

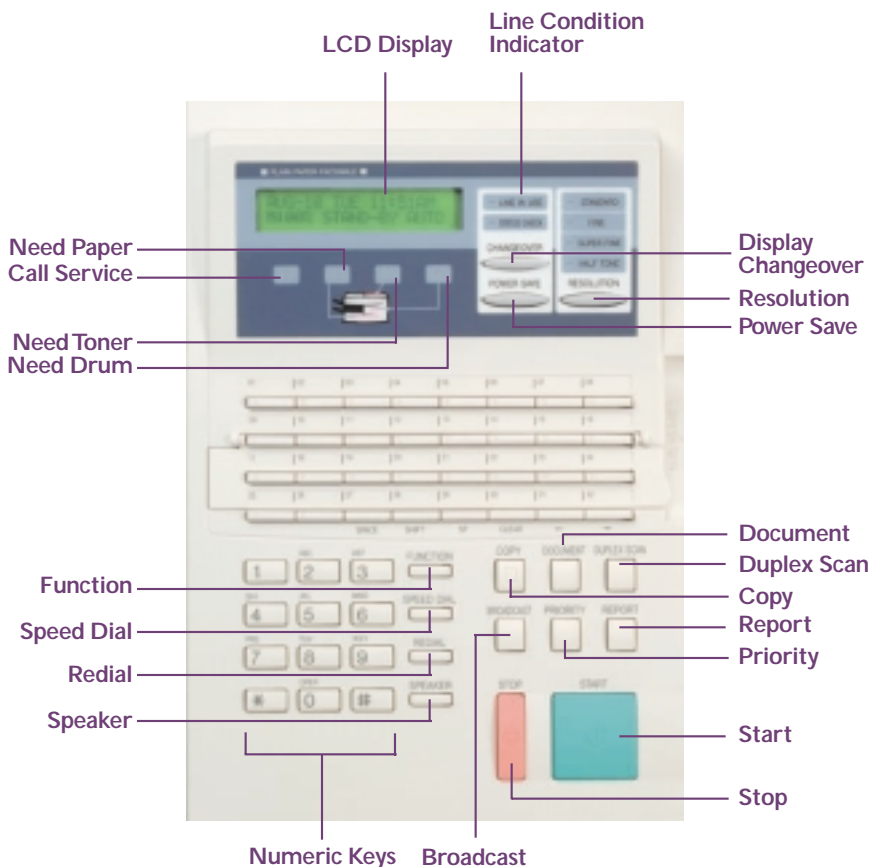

Easy Operation

- Color-coded supplies make replacement quick and easy
- Easy to program functions
- Simple to operate control panel

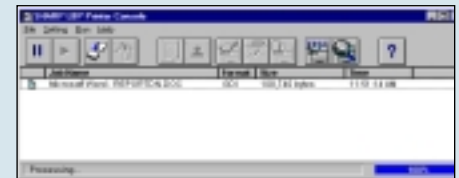

F.A.S.T. (Facsimile Automated Service Technology)

- Sharp's proprietary remote diagnostic system automatically connects the FO-4700 to your authorized Sharp dealer to alert for low supplies, and even enables technicians to program functions or diagnose and solve problems right over the fax line.

Get quick access to efficient features with the FO-4700's **USER-FRIENDLY CONTROL PANEL**

The optional print driver and software transforms the FO-4700 into a connected laser printer.

The optional print driver on the FO-4700 has user friendly screens that allow a wide range of options and information.

Besides showing the status of the FO-4700, the print driver software provides animated instructions for everything from adding paper to changing toner and drum cartridges!
